

## ROAD CLOSURE SCHEDULE

### ORMOND STREET, CITY OF THOROLD PROJECT 2010-325

Currently, NeXterra Substructures Incorporate is undertaking to replace Watermain and Sanitary Sewermain, under the above project, for the City of Thorold.

Road Closure detour routes are proposed on a block to block basis on Ormond Street in the City of Thorold, from Regent Street to Portland Street, starting on August 9, 2010 until October 1, 2010.

Estimated Timeframe of Mainline Installation	Proposed Ormond Street Closure
August 9 – August 27	Ormond Street from Regent Street to Albert Street
August 30 – September 10	Ormond Street from Albert Street to Clairmont Street
September 13 – October 1	Ormond Street from Clairmont Street to Portland Street

- All timeframes are based upon the current project scope and are weather dependent.
- All timeframes are estimates only and may change.
- Unless there is an emergency, adequate advance notice of any changes will be provided.

Detours will be posted during this period. Please reduce your speed in the posted construction zone, and adjust your driving to the conditions encountered. Please plan for and expect minor delays in this area of construction, during peak travel times.

If you have any questions, please contact Dennis McQuade at The City of Thorold 905-227-3521

Thank you for your co-operation.
